

Covenant Life exists to have a real relationship with the loving God, relevant impact in serving people, and relational experience in building disciples.

Welcome! We are glad you have chosen to join us today. Whether this is your first time to worship with us or if you are with us often, we hope you will feel at home. Please let us know if we can assist you.

Nursery is available for children up through preschool age. Feel free to drop off your child at any time before or during the service. Kindergarten through fifth grade children enjoy praise and worship with their families until the '101' lights up on the right side of the platform. At that time, you can drop them off in the fellowship hall. Please be sure to pick up all children directly after service. They will not be released without a parent pick up.

Guests, please fill out a visitor card in the chair's pocket in front of you and following service please take it to the Hospitality Center located to the left in the foyer to receive a complimentary gift from us to you.
